

is for **A**pple and Worms

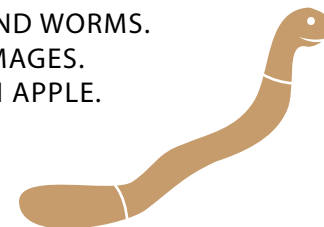

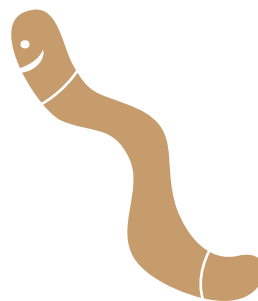

### MATERIALS

- CARDSTOCK
- GLUE
- SCISSORS
- CRAYONS OR MARKERS

### DIRECTIONS

1. PRINT OUT PAGE 2.
2. COLOR THE APPLE AND WORMS.
3. CUT OUT THE IMAGES.
4. GLUE WORMS ON APPLE.

### MORE FUN IDEAS!

1. Print out a lot of the apple images from page 3 and have child draw/make a basket. You can use brown construction paper or a paper bag for the basket. Color the apples (have student use different colors for all the varieties of apples). Cut and fill the basket with the apples.
2. Counting Lesson: Make an apple tree. Draw a big tree on an 8.5 x 11 sheet of paper and print the apples from page 3. Color, cut and paste.
